Breanne is celebrating
HOPE!

Your support brings hope to the
hurting this Easter.

“WITHOUT THIS PLACE, I DON'T KNOW WHERE I'D BE. BUT NOW I HAVE A PURPOSE.”

As a teen, Breanne's dad was deployed in the military and her mom worked a lot, so she was often left caring for her younger brother. Looking for an outlet for her feelings of anxiety and abandonment, she turned to drugs.

“I felt out of place in every aspect of my life. I didn't know how to express my feelings, so I stuffed them.”

Her drug use soon became an addiction, and Breanne ended up dropping out of high school. The bad decisions continued when she entered an abusive relationship. Scared and trapped, she was unable to keep a job or provide a stable home for her two young sons.

The turning point came when she went to jail for having drugs in front of her kids. “I was in the depths of my addiction... a hollow shell of nothing. I lost my kids and was on a very, very dark path.”

By God's grace she got clean and sober in jail, and was determined to make a better life.

The day she walked into Great Falls Rescue Mission, everything changed for Breanne.

“I knew there was something missing,” she says. “I just didn't know what.”

Breanne and her sons came to our Cameron Family Center looking for a new start. Her healing began when she surrendered her life to the Lord.

“The discipleship program for me was a way to grow with God – as a mother and as a family. Get the stability that my kids needed and become the woman and mom that my kids deserve.”

She no longer feels alone or abandoned – today she has the peace and joy that comes from knowing God. Her children have found healing as well, and they love the comfort, stability and joy they have found at the Mission.

“I lean on God for every aspect of my life, especially when it comes to my kids. Now I have purpose.”

Today, she serves as a Team Lead here at the Mission, sharing from her experiences to help other women and families. This transition period will prepare her for what lies ahead as the Lord directs her steps.

Thanks to the blessing of your support, Breanne is celebrating Easter as a new creation in Christ.

“Since coming to the Mission, I have found myself as a daughter of Christ. I actually have a life to live for now.”

“I have no control over my life now and I'm ok with that... anything and everything that comes my way, I give to God.”

"I came that you may have life and have it abundantly." – John 10:10, NASB

A Message from JIM MCCORMICK

THE MIRACLE OF EASTER *lives on in you*

Can you imagine what it must have been like to gaze into that empty tomb that Easter morning? To rise from the depths of despair to heart-pounding, indescribable joy... realizing Jesus conquered the grave?

That's the power of the resurrection. And that same power is still transforming hearts and lives today.

Jesus came that we may have life abundantly, and we embrace that as our calling. **We exist to help our neighbors experience life to the fullest, as God intended.**

As we celebrate the miracle of Easter, we also celebrate the miracles God is working in North Central Montana today. Every chain that's broken... every heart

that turns to Him... every life that's restored is a cause for rejoicing.

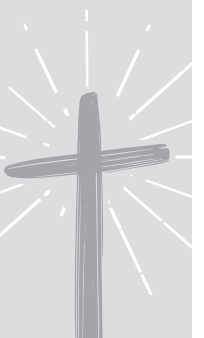

And it's all thanks to caring friends like you!

This Easter, I pray that you will see God move mightily in your own life, just as you have given generously so He can work miracles in the lives of your neighbors like Breanne (whose incredible story is on page 3).

May our hearts be as one as we cry out together, "Hallelujah, He is risen!" this Easter.

"A Beacon of Hope
Since 1963"

Jim McCormick
Executive Director
